**Declaration: (To be signed by the authorised person responsible for the R/T)**

I understand and accept that:

- \* These radio channels are provided for use on legitimate forestry related business only and will be used strictly in accordance with the Radio Procedures policy as set down by the Radio Network Owners group.
- \* When the Contractor ceases to have a legitimate need to use the forestry channels, the R/T will be returned to a service provider to have all associated channels and related configurations removed at the R/T owner's expense. A written statement is required from the service provider in each case, certifying that this work has been carried out.
- \* The Radio Network Owners group reserves the right at its discretion, to allocate channels to or require removal of channels from any R/T, or to specify technical configuration changes in line with radio network management at any time. Any costs incurred in such reconfiguring or replacement of R/Ts will be met by the R/T owner.
